Dear Cousin:

Enclosed is the draft of an entry for your family which we will put in the supplement to the Merwin Family in North America. Your father gave me this data.

Will you please fill in these missing items:
1- City + state where you were married.
2- They date and city + state where Shirley was born.

Please feel free to change the draft in any way you wish. I also need a short biography of you and your wife. (Schools, degrees, awards, occupations, interests.)

We would appreciate your joining our association since your generation must take an interest or the organization will not longer be able to grow and serve Merwins. The annual dues are but $2.00 per year and that includes the whole family! We'll send you our newsletter Milestones several times a year to keep you informed about the doings of Merwins. Please send me a check payable to Miles Merwin Assn.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please fill out the enclosed Merwin family record sheet? Also, fill in a brief biography of both you and your wife (if any) as suggested below.

Since you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If there is no reply to this letter by August 15th, I shall assume you are not interested and omit your entry from Volume II.

Dear Lois:

Thank you for the information you gave me on the phone about your family.

Enclosed is a draft of your family entry as it will appear in Volume III of The Merwin Family in North America. Please give me any needed correction or addition.

I am writing Tammy to ask her if she wishes to join our Association since persons not born with the name Merwin must be interested enough in our work to be members in order to have their entry in Volume III. Accordingly, her marriage and children will not show in the enclosed entry. I stretched the rule a bit for Tiffanie.

If I do not hear from you by July 31st, I shall assume you are satisfied with your entry.

Dear Cousin,

Now that the holidays are behind us, we are writing to remind you that your dues for our year to end June 1st have not been paid. We depend upon dues to fund "Milestones" and cover expenses such as meeting notices, address lists and correspondence so we would appreciate your continued support. Annual dues this year are $5.00.

The August issue of "Milestones" referred to our next genealogical project: An attempt to locate our immigrant ancestor's (Miles Merwin 1623-1697) place of birth and parentage. More recently a registered genealogist in England has been contracted to make a preliminary survey based upon leads which we were able to furnish. Our next steps will depend upon his results.

Please forward your dues payment at your early convenience. Any optional amount that you might wish to include to support our genealogical work would also be appreciated.

With best wishes for a happy and healthy 1985.

Sincerely yours,

The seat of the Witter family, accordingly, was the Townlands of Welchtown and Ballyboetemple, Kilteevogue parish, Diocese of Raphoe, County Donegal. Welchtown and Ballyboetemple are located along Link Road L75 about four English miles west of Ballybofe North of the River Finn on the current map of Donegal.

One John Hume is listed in the Tithe Applotment Book of Welshtown. This is most certainly Margaret Humes Witter's father. The fact that one of James D and Margaret Witter's children was named John also confirms this fact. Obviously, James D married the girl next door.

It is interesting to note that James Witter and his family were members of the Society of Friends yet there were no Quaker meetinghouses in the 19th Century in any of the three parishes in Ireland where the Witter family was seated. To obtain information about the Witters, it was necessary to search the records of the Church of Ireland (Anglican), the Established Church of the State since it was the official church of Ireland and the only one with the legal right to maintain graveyards. Intermarriage between Anglicans and any other denomination was illegal unless performed in the Established Church. This situation existed until 1871.

We have been unable to learn James D's middle name. It was not used on his military, baptismal or any other record searched. Perhaps he assumed the letter D as a middle initial, as some persons do, just for the effect. His death certificate shows, "James"; he wrote on a page in his bible, "James & Mag. Witters Children, Darby, Pa"; his military record dated 10 Jun 1887 mentions only "James Witter". His application for invalid pension dated 21 Dec 1880, gives his name as "James D. Witter" and his tombstone in Mt Zion Cemetery has the inscription "Sgt. JD Witter 1067 Regiment, INF". These are the only two evidences of a middle initial. Perhaps his family and friends called him "JD".

Since one of JD and Margaret (Humes) Witter' children, Catherine, married one William Buchanan and we have been able to trace only her descendants and those of her brother, William James Witter, past the fourth generation, this genealogy essentially covers the descendants of the Witters and Buchanans. Accordingly, the writer will give the background of the Buchanans to the best of his knowledge.

The name Buchanan is lowland Scottish and is believed to have originated in the area of Loch Lomond, now known as the Lands of Buchanan. During the reign of James I, the English encouraged the

He is now employed by the Union Pacific Railroad in Kansas City. English and Scots to settle the Plantation of Ulster - the nine northern counties of Ireland. It is the writer's belief, albeit an assumption, that the Buchanan family were among the settlers in Ulster during that period. At any rate, one William Buchanan and his brother, Malcolm, immigrated from Northern Ireland to Philadelphia in 1851. The names of William's parents were John and Betty (Wilson) Buchanan. John was born in Castletown, Ballynure, County Antrim, Northern Ireland. About 1816, he married Betty Wilson, daughter of William & Mary (Machonghie) Wilson of neighboring Bryantang townland. At the time of their marriage, they removed to Ballygowan, Ballynure, a townland bordering Castletown.

Efforts to trace William Buchanan's line beyond his parents were frustrated by the lack of existing church and land records. Available records were searched by a competent genealogist with no concrete result. There is a record of a John Buchanan, an adult, living in Castletown in 1775. There is a good possibility that he could have been the father of John (1787-1878). John Buchanan (1787-1878) named his first son John. This would confirm that John (1787-1878)'s father's name was John since Irish custom was to name one's first son after the child's paternal grandfather. Following is a summary of William Buchanan's progenitors and his immediate family.

The Buchanans were Ulster Scottish Presbyterians. The family monument stands in the church graveyard of the 2nd Ballyeaston Presbyterian Church in Ballynure, County Antrim.

The seat of the Buchanans, Ballynure, is the name of a parish situated in the barony of Lower Belfast, County Antrim, some six miles northwest of the town of Carrickfergus. In 1831, the parish contained 3,549 inhabitants of which 415 resided in Ballynure Village. The parish comprises 8,540 3/4 acres of generally fine agricultural land. Within the parish lie the townlands of Castletown and Ballygowan where branches of the Buchanan family resided. These townlands share a common boundary with each other Ballygowan lying on the northern side of Castletown. The townland of Bryantang, where Elizabeth Wilson (wife of John Buchanan) lived until her marriage, lies on the southern

CHAPTER 1

THE FIRST GENERATION

1. James D^1 Witter b. 1816/1817; bap. 15 Mar 1819 in Ballyboetemple parish, Welchtown, County Donegal, Ireland; d. 18 Jun 1895 of Peritortus in Darby, Delaware County, PA. [1]. He was reinterred 12 Dec 1895 at Mt. Zion Cem. aged 79 years. About 1836/37, he married in Ireland, Margaret Humes, the dau. of John Humes of Welchtown, County Donegal, Ireland. She was born about 1811 in Ireland; d. 31 Jul 1895 in Darby, Delaware County, PA, of Paralysis and reinterred at Mt Zion Cem., Springfield Road, Collingdale, Delaware County, PA, on 12 Dec 1895 [2]. Their death certificates do not state their initial place of burial.

Family tradition is that James D and Margaret (Humes) Witter were married in Ireland (presumably in Donegal), traveled to Dublin, and immediately took ship for America. William James Witter told his son, Edgar Curtis Witter, that they were married in Ireland and danced the "Campbells are Coming" on the boat on their way to America.

James D Witter was six foot two inches tall, of fair complexion and had light hair and blue eyes [3]. He hired out as a farm laborer upon his arrival in Darby. At least, the U.S. Census of 1860 [4] for Leipersville, (Darby Township), Delaware County, PA, lists his occupation as a farm laborer and there is no record of his purchasing land in Delaware County.

On 27 Nov 1846, J D enlisted at Philadelphia for five years service in the U.S. Army. He served first in Battery E, 2nd Regiment, U.S. Artillery, and later in Battery A, 2nd Regiment, U.S. Artillery. This was the time of the Mexican War. He saw action during the battle of Molino del Rey in 1847 and was wounded. The nature and extent of his injuries were not recorded in his service records. On 26 Nov 1851, he was discharged in the grade of private at Fort Monroe, VA.

About ten years later, on 24 Aug 1861, J D responded again to the call to arms. This time it was to take part in the Civil War. He enlisted for three years in Company I, 106th Regiment, Pennsylvania Volunteers. On 1 May 1862 at the headquarters of the regiment at Yorktown, Va, JD was promoted to sergeant retroactive to the date of his enlistment. His promotion document [5] was signed by R.G. Morehead, Colonel, Commanding, and F.M. Lleis, Adjutant of the regiment.

He was wounded in action at the Battle of Antietam 17 Sep 1862. A field surgeon removed a musket ball from his left thigh. After nine days, he was moved from the field hospital at the rear of the battlefield to a church at Frederick, MD. Two days later he was transferred to Carver Hospital, Washington, DC. After two months in the hospital, he was furloughed home for thirty days. Apparently, he failed to report back to the hospital at the expiration of his leave because, on 7 Dec 1862, the records state he deserted from Carver Hospital. In May 1863, he was "taken up from desertion, absent sick, in Pa." On 1 Jul 1863, J D was transferred to 1st Company, 2nd Battalion, Invalid Corps at Alexandria, VA. He apparently continued to suffer from inter-

Dear Gaius: --

My apologies! Very sorry to miss lastyear's dues! Wonder what happened? Must have put in the "round" file! Enclosed is my check for last year and this year!

When visiting with my grandson Billy he expressed interested in being a member "on his own". I'm happy he showed interest. Billy is William Theophile Adams son of daughter Carol Ann Adams (5171). His address remains at 168 Bradley Road, Scarsdale, N.Y. 10583.

I suppose I could pay his dues with mine, but I think if you were to send him the current issue of Milestones together with invitation or application to join - with dues notice - it would make it more meaningful.

Merwyn please!

dues notice + return envelope enclosed.

Sorry I will not be able to attend the reunion in Wausau, - it sounds wonderful. Any other year I would be very interested in attending, however, I have become very active with our area Council of Catholic Women and this year the National Council of Catholic Women convention is in Minneapolis -- and this is almost an obligation! I had to make a choice!

Wonder if daughter Nancy Marsden notified you of the move they made to St. Louis -- if not, the new address is 16027 Clarkson Mill Circle, Chesterfield Mo.63017.

Yes

Enclosing article I thought interesting -- Merwin's do turn up in the darndest places! Wonder if A.D. Merwin was from the family of Merwin's who lived in Jensen Beach - Eden LawnPlantation - whom I met way back in 1964! It was a brief meeting, but we had a very nice visit.

I wish you all a very successful and happy reunion -- I am looking forward to reading ALL about it in Milestones!

Best regards ---- Alma

in rowdy, lawless Okeechobee County.

It was said that he had brought the bootleggers under control, and violent crimes had dropped to almost zero. He had also enhanced his public image by forming a baseball club, and by becoming actively involved in other youth activities.

The fact that he had earned his nickname, "Pogey Bill" by attempting to market a load of inedible bait fish became simply an item of local folklore, and diminished not at all his popularity as a frontier lawman.

It is not clear exactly how the citizens of St. Lucie County expected to snatch this living legend away from Okeechobee County, but governor Hardee had no doubts about their sincerity after a pro-Collins delegation visited him in Tallahassee.

He also met with delegations favoring St. Lucie County residents Augustus Ruffner and A.D. Merwin. However, the Collins faction was said to have been the most impressive.

Hardee was hard pressed, but he eventually announced that Ruffner was his choice. He said he had pledged not to appoint men to positions such as Sheriff outside their own counties, and therefore Collins would have to stay in Okeechobee County.

If the pro-Collins people were deeply disappointed, it is safe to assume that their chagrin dissipated rapidly after "Pogey Bill's" career took a tragic turn.

Eventually he was tried twice on charges of conspiring to traffic in bootleg whiskey. He was convicted, resigned from office and appealed his conviction. A fatal Polk County highway accident ended his colorful career in 1934.

This was based upon an article by Joe Crankshaw which appeared in the May 12, 1985, issue of the Miami Herald.

Before answering the door or the telephone, read these tips from Sheriff Tom Mylander

BROOKSVILLE — "Most of the people who come to your door, or call you on the telephone, have legitimate reasons for doing so," Sheriff Tom Mylander told Hernando County residents in a West Hernando News article," "but a very few people would like to rob or assault you in your own home."

"They may even use the telephone to determine your sex, or whether or not you live alone," he added. "Many people, particularly women, have been assaulted because they blithely opened the door to someone who seemed legitimate.

"All this sounds very sinister, and it can be. Therefore, you should understand two things: First, the chance that someone at your door, or on the telephone, is determined to harm you is very remote statistically; and second, you should never take a chance based upon those statistics.

"Never automatically open your door when someone knocks, even if you are expecting a caller; and don't rely on a chainlock to keep anyone out.

"One-way peepholes can be bought cheaply, and installed simply by drilling a hole through your door. Get one, and use it.

"If you look through the peephole and see a stranger, ask for identification, no matter how familiar and authoritative the uniform, or how clean-cut the caller. Ask that identification or credentials be slipped under the door, and check them out by telephone. Refuse to deal with any salesman, serviceman, or government official who refuses to produce credentials.

"If a stranger wants to use your phone to make an emergency call, take the message and make the call yourself. If it was a ruse, the stranger will be gone by the time you get back to the door. If a caller becomes threatening, you have time to call the Sheriff's Department.

"At night, draw your blinds or draperies to prevent anyone outside from watching you. Call the Sheriff's Department immediately if you hear or see a prowler, or if the actions of a caller arouse your suspicions.

"Be cautious about using apartment building laundry rooms when you are alone, particularly at night. Try to have someone with you.

"Finally, don't play telephone games. Use the telephone on your terms, not as a device that forces you to respond robot-like. If a caller won't identify himself at once, hang up.

"Never allow yourself to be drawn into a conversation with an unknown caller, survey-taker, or census taker in which you reveal your name, address, marital status or anything to indicate you are alone."

The topic: Urban disorders

MIAMI — The Metro-Dade Police Department will host an Urban Disorder Management Conference here October 20-24, 1986, for command level officers who have responsibility for policy, training, and field operations related to incidents of urban unrest. For information, call Sgt. James Cooner, (305) 594-1001.

Nine million miles per year!

FORT LAUDERDALE — The Fleet Control Unit in the Broward County Sheriff's Department received a pat on the back from Sheriff Nick Navarro recently.

He said the staff of 16, including 11 experienced mechanics provide super service 24 hours a day, seven days a week to keep the Department's fleet of 650 cars rolling a total of almost 9 million hard miles a year.

"These employees are almost never in the spotlight," said Navarro, "but the Sheriffs Department could hardly operate without them."

The department gets five years' service and more than 100,000 miles out of each vehicle due to a preventive maintenance program that requires a check-up every 3,000 miles with sophisticated diagnostic equipment and computerized wheel alignment and balancing devices.

The gasoline dispensing system and the vehicle maintenance records are computerized.

"This kind of technical support has generally enabled us to maintain a road readiness of nearly 99 percent of the fleet at any given time," said Navarro.

Booking has boomed

FORT LAUDERDALE — When Broward County's first prisoner was arrested in 1916, two deputies were manning the booking desk at the county jail.

Today, Lt. Frank Germano is in command of 130 certified detention deputies, aides and civilians who operate the Intake Services Division of the Sheriff's Department around the clock, seven days a week. In 1986, this crew will process approximately 63,000 prisoners.

Sheriff Gillum sponsors unique youth group

DADE CITY — The 4-H Cadet Corps in the Pasco County Sheriff's Department, represented by Captains Lisa Tate (left) and Germaine Roberson, recently presented a plaque to Sheriff Jim Gillum to express the organization's appreciation for his sponsorship. The safety and law enforcement oriented Cadet Corps is the first group of its kind in Florida.

Thief's pants exploded

FORT LAUDERDALE — A startled cook suffered second-degree burns when a bundle of cash he tried to smuggle out of a restaurant inside the front of his pants exploded and sprayed him with dye.

The $400 in cash had been rigged with a charge of exploding dye timed to go off just after he exited from the restaurant. The thief dropped the money and ran, but was later arrested at home while paramedics were treating his burns.

Sheriff was delighted when food critic failed to rave over chow at Pasco jail

NEW PORT RICHEY — It didn't upset Pasco County Sheriff Jim Gillum when St. Petersburg Times food critic Janis D. Froelich rated the jail chow as merely "good" rather than "magnifique" after she was invited to "do lunch" at Gillum's Gray Bar Hotel, otherwise known as the West Pasco Detention Center.

In fact, Gillum had told her in advance: "I won't mind if you urge people to boycott the place."

She didn't, but she did point out that Gillum's eatery was running $12,000 over budget because of a "recent unexpected overflow of guests" who did not have reservations.

"Some of our guests say the accommodations are terrible," Gillum told her, "but therein lies an enigma: We are filled to capacity seven days a week, 365 days a year, and we have many, many patrons who keep coming back."

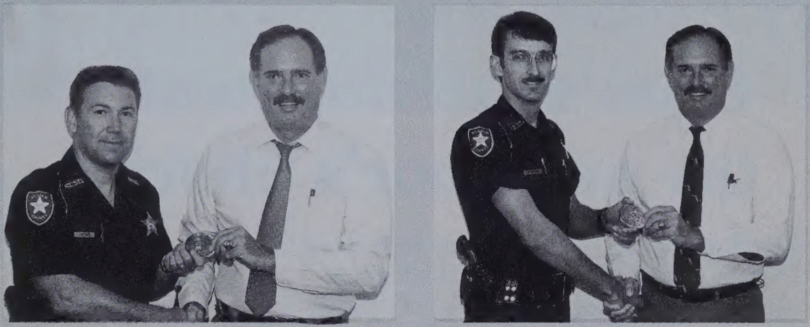
Perhaps eating free and getting room service accounts for some of the repeat business. "We are by no means a 'lunch on Limoges' operation," said Gillum, "but our meals are served a' la 'cart' — wheeled to the guests in their living quarters."

Froelich seemed to be impressed by the fact that inmates were served three nutritious squares at a cost of only $2.15 a day.

Gillum explained that the jail is fortunate to be located in a partially rural county where "generous benefactors" frequently donate excess crops such as tomatoes, corn, potatoes and strawberries. These frequent windfalls of fresh fruit and vegetables guarantee that inmates will never suffer from scurvy, he added.

Gillum was delighted that his Gray Bar Hotel failed to qualify as one of the outstanding eateries on the west coast. "We certainly didn't want a 'five-knives-and-forks' rating," said he, "lest the taxpayers who are footing the bill get the impression that our non-paying guests are eating better than they are."

DADE CITY — Pasco County Sheriff Jim Gillum (left) presented a CARE (Certificate of Appreciation for Responding in an Emergency) Award to former military policeman Larry Sonntag, after Sonntag helped a deputy sheriff to handcuff a drunken driving suspect who was violently resisting arrest.



Stuart

Hatcher

FORT PIERCE — St. Lucie County Sheriff Robert C. "Bobby" Knowles (right) conferred "Deputy of the Month" honors on Deputies Wade Hatcher and Jim Stuart for outstanding performance of duty.

pulmonary resuscitation immediately and was able to revive the victim.

"Had it not been for the prompt, resourceful intervention of Sgt. Maguire," said an emergency room physician who examined the child, "there is no doubt in my mind that the child would have died."

Rick Chandler

MARATHON — In a three-month period, Detective Rick Chandler headed investigations that resulted in 24 felony arrests, 12 misdemeanor arrests, and the issuing of nine felony warrants.

His outstanding performance also resulted in confiscation of drugs valued at $10,000; three motor vehicles valued at $17,000 and $4,500 in cash. A stolen boat valued at $250,000 was recovered.

Is it any wonder that the Monroe County Sheriff's Department chose him as its "Officer of the Quarter" for District Two?

Mary Broughton

DELAND — Volusia County Deputy Sheriff Mary Broughton returned from the International Law Enforcement Olympics, in Columbus, Ohio, with six gold medals and one silver medal she won in swimming events.

TALLAHASSEE — Leon County Sheriff Eddie Boone (third from left) presented Certificates of Commendation to (from left) Deputies Scott Ivey, Bryan Henry, and Rick Dyke for displaying exceptional bravery and valor. Boone said Ivey risked his own safety to rescue a driver from a burning truck; while Henry and Dyke "upheld the finest attributes of professional law enforcement" in their handling of an attack by a knife-wielding man "without injury or death to innocent bystanders." He said Henry was serving his first day on Uniform Patrol, and "though horribly wounded, continued to perform his duties in a coherent and steadfast manner."

KISSIMMEE — When Osceola County Sheriff R.W. "Bob" Fornes (left) awarded a Medal of Commendation to Deputy Andy Lang for his outstanding use of resuscitation procedures, the deputy's parents, Mr. and Mrs. Joe Lang, participated in the ceremony.

Florida parable:

Thou shalt not steal thy neighbor's Sheriff!

FORT PIERCE — Throughout its history, Florida has experienced a typical run of rip-offs and attempted rip-offs, but it may be the only state in the nation that can claim an attempt by one county to "steal" another county's sheriff.

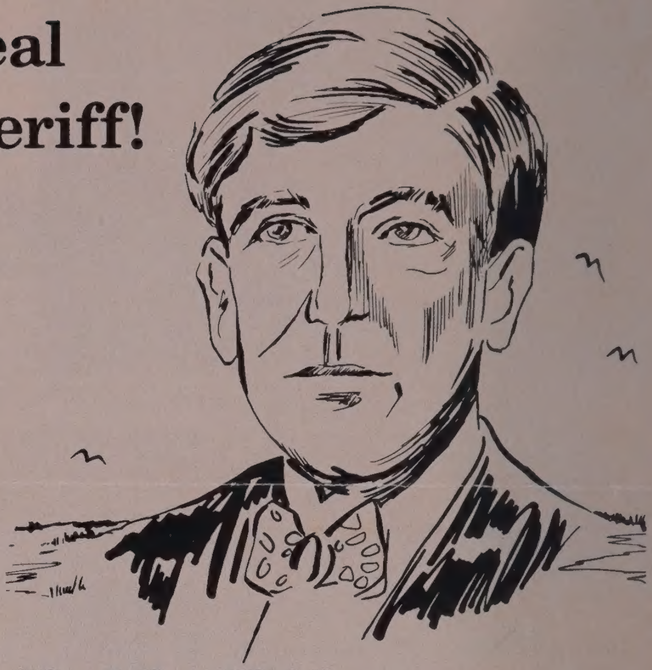
Here's how it is said to have happened:

St. Lucie County Sheriff W.R. Monroe was killed on March 25, 1921, while confiscating a bootlegger's cabin cruiser.

Shortly thereafter about 100 citizens, including some newly-enfranchised women, met at the New Fort Pierce Hotel to discuss possible successors they could recommend to Governor Cary Hardee, whose duty it was to fill the vacancy.

Apparently several names were discussed, but, contrary to tradition, the citizens passed over local prospects and decided the man they really wanted was William E. "Pogey Bill" Collins, the colorful Sheriff of neighboring Okeechobee County.

Described as a big, strong reformed street brawler who had labored as a seaman and commercial fisherman before adopting the role of frontier law enforcement officer, Collins had been credited with establishing law and order



William E. "Pogey Bill" Collins

Legend holds that when "Pogey Bill" got involved in a brawl at Tillman's Fish Camp, on Lake Okeechobee, "he sent his attackers outdoors, one by one, by the shortest route, and when the dust had settled, there was nothing much left of the fish camp kitchen but the roof."

Dear Cousin Sheila:

Enclosed is a rough draft of your family entry which we would like to include in the Supplement we are writing to The Merwin Family in North America which was published in 1978.

The only thing missing seems to be the year of Angela's birth. Will you please write that in and give me any needed correction?

We would be pleased to include a brief biography of you and your husband if you wish to add it — schools, occupations, employers, civic or church service, etc.

There is no obligation. We merely want to include every descendant of Miles Merwin we can locate.

May I have your sister Gail's address?

Your help is much appreciated.

Dear Gina:

Many thanks for your letter dated 6 May. It was good to hear from you again.

Yesterday, Betty and I had lunch with Lorraine and I conveyed your good wishes to her. She sends her regards to you and Bob.

Appreciate your good words about the Association Booklet. It did turn out quite well. The picture you and Bob supplied was a great addition.

Neither Lorraine nor I know the name of the trees (at Sheldon Manor) which interest you. All we learned was that they were Maple trees. I have a brochure on Sheldon Manor. May I suggest you either write or call Mrs. Gibbs. I am sure she would know the name right off the bat. She seemed to be quite with it. Here is the address and phone number.

Your new home must be beautiful. We are enjoying the late spring. All the flowering trees and azaleas are blooming as never before. Guess I appreciate such things more as I grow older. Talked to Gus on the phone the other day. He tells me the snow has just about disappeared. He can have New England.

Suggest you might try an arboretum or a nearby university for help on the name of the trees and their availability in this country.

As ever,

Dear Merwyn,

Just wanted to let you know how much we have enjoyed reading the April 1997 publication of the Miles Merwin Association. The pictures certainly added a nice touch It seems impossible that almost a whole year has gone by since our wonderful trip to England.

We have hired a landscape architect to help draw up plans for our property. He has been to England numerous times to tour the gardens and talk with English designers. Although we did not see all the gardens by any matter of means, Bob and I did see a fair number during the time before we met the group and then after our tour. Do you by chance remember the name of the Maple trees at Sheldon Manor? They were so unusual. During the season the leaves turned three different colors. There were some in the light apricot stage and some in the pale green stage when we were there. I would love to plant some of these if they can be found in this country. So far in the books I have consulted, I have not found anything.

I hope that the reunion goes well this year. Our travel days seem to be limited to trips to the lumber yard for the moment. In time, we will be back on the road, I'm sure. We are having a lovely spring and enjoy our new home.

Stay well and keep in touch. Please give our best to Lorraine.

Cordially,

Gina

Dear Merwyn,

I am enclosing some updated information on our two daughters in hopes that it can be included in Volume III. I noted that in Volume II the birthplaces were not included so I have redone each of the girls' information.

I want you to know how much we enjoy both volumes of the Merwin Family in North America. It is a source of information and settles lots of discussions on dates, places and ages. We are looking forward to the arrival of Volumne III.

Sincerely,

Enclosed is a corrected entry as I now have it. Pleae give me any further correction which may be necessary. Dear Cousin,

Now that the holidays are behind us, we are writing to remind you that your dues for our year to end June 1st have not been paid. We depend upon dues to fund "Milestones" and cover expenses such as meeting notices, address lists and correspondence so we would appreciate your continued support. Annual dues this year are $5.00.

The August issue of "Milestones" referred to our next genealogical project: An attempt to locate our immigrant ancestor's (Miles Merwin 1623-1697) place of birth and parentage. More recently a registered genealogist in England has been contracted to make a preliminary survey based upon leads which we were able to furnish. Our next steps will depend upon his results.

Please forward your dues payment at your early convenience. Any optional amount that you might wish to include to support our genealogical work would also be appreciated.

With best wishes for a happy and healthy 1985.

Sincerely yours,

Dear Cousin:

Your mother informed me of your son Arthur's marriage and Rachel's birth.

I shall report these events in the next issue of Milestones and I would like to include this information in Volume II of MFNA which is currently being finished.

Since I don't know Arthur's address, will you please ask him to complete the enclosed family record. Also, to have his family in Vol. II, he must be a member of our association. Ask him to return the completed form with a check for $5.00 payable to Miles Merwin Assn. to me by March 15th. If I receive it by that date, I'll be able to include his family in Vol. II.

Sincerely,

Merwyn

Dear Cousin:

Gaius Merwin passed on your dues notice to me so that I could send you the membership listing you requested.

You did not say just what states you wanted. I am giving you the seven western states. If that is not sufficient, let me know.

Rather than sending a simple listing of names and addresses, I am enclosing labels which may be of use to you. If you wish to retain the complete listing for your records after using the labels, photocopy the label sheets before use.

Hope your reunion is a success. I would be pleased to have a written account of it together with pictures to put in a future issue of Milestones. The Canadian Merwins had a successful regional reunion in July and they gave me a good account of it which will be in the September 1989 issue.

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

As you may know, the Miles Merwin Association is anxious to make the Merwin genealogy more than a statistical listing of names and dates. To make the record interesting, colorful and personalized, we must have biographies of living Merwins. These might include schools attended, degrees obtained, awards, military service and other accomplishments or interests.

Many Merwins submitted biographies with their genealogical line information, but these may have been furnished some time ago and need to be brought up to date.

We are making good progress in completing the genealogy, accordingly, we must ask for your reply before November 30th for inclusion in the manuscript.
